Re: IMMIGRATION CONSULTANT

Dear JIMY HENRY ORELLANA:

Based on your application for registration under the Immigration Consultants Registration Act ("Act"), you appear to meet the requirements for registration under the Act. Your immigration consultant registration is enclosed and is effective through August 21, 2027.

The Act requires you to register annually. To avoid a lapse in your status, you should submit your application for renewal registration at least thirty (30) days prior to your expiration date. The Act also requires you to maintain the surety bond that you have obtained for as long as you are engaged in immigration activities. When you renew your registration, you will need to submit proof that you are maintaining the surety bond as required by law.

An immigration consultant shall notify the Division in writing within 30 days of any changes in their application.

This letter is an acknowledgment of compliance and not an endorsement of the immigration consultant. Please note that the Division reserves its rights relative to any actions that may be pending.

If you have any questions, please contact:
